The videoprospect.com Program for Baseball & Softball Players

videoprospect.com provides a revolutionary opportunity for players to showcase their skills worldwide, without limitations. Competition to be seen and evaluated is being shared by nearly 150,000 college-bound high school student-athletes who want to play baseball in college next year. Over 122,000 softball players share a similar desire. The challenge to be recognized for amateur and college players adds thousands to the mix.
